

Every Second Counts: Plan 2 Ways Out!™

How fast does fire move? Very fast. You could have less than 2 minutes to get out safely once the smoke alarm sounds.

7 steps to practicing your escape plan

1

Draw a map of your home. Include all doors and windows.

2

Find two ways out of every room.

3

Make sure doors and windows are not blocked.

4

Choose an outside meeting place in front of your home.

5

Push the test button to sound the smoke alarm.

6

Practice your drill with everyone in the home.

7

Get outside to your meeting place.
